Keywords

SEC. 1. PURPOSE AND SCOPE.

This section introduces the statement and states the scope of this statement. Replace this short paragraph with the opening context; one short paragraph per section keeps the template minimal and easy to extend.

SEC. 2. BACKGROUND AND FIGURE.

This section gives the background for the statement. The single image placeholder below is based on the figure code of VVUQ-02 and renders a framed box until a real PNG is dropped into the Images folder.

Figure 1: Figure 1. Placeholder schematic for this statement.

SEC. 3. RECORD AT A GLANCE.

This section records the statement at a glance. The one table below is modeled on Table 1 of the VVUQ-05 final bill; keep cells short and ragged right so the table matches the body measure.

Work	What it is	Releases	Headline result	End-goal DOI
VVUQ-01	method and pipeline	v0.1.0	51 of 51 tests	xxxxxxx
VVUQ-02	ten-gate humanoid codebase	v1.0.0	172 of 172 tests	xxxxxxx

SEC. 4. ANALYSIS.

This section analyzes the statement. Keep the prose to one short paragraph and let a later revision expand each clause into its own section file.

SEC. 5. CONCLUSION.

This section concludes the treatment of the statement and points to the back matter for acknowledgments, rights, citation, and data availability.
